The Procurement Committee had noted an omission and amendment required to the sections of this bid as outlined.

In this regard, Bidders are hereby required to replace the respective sections with the following modifications.

Instructions to Bidders clause 5.5 (c) (ITB 5.3 c) states that the essential equipment to be made available by all bidders for the contract shall be registered in the company name as specified in the **BDS**.

Modification

Therefore, upon requests sent for clarity to the entity, it was resolved that a bidder can present vehicles registered in their own names, if their names appear on the founding statement/ company registration, secondly, the bidder should make a declaration with commissioner of oath for ceding vehicles to the company.

Sincerely yours

Ruth Sitengu
